## What is the KERA COLLAGEN treatment?

A collagen hair treatment is a cosmetic procedure designed to improve the health and appearance of the hair by infusing it with collagen.

**Strengthen Hair:** KERA COLLAGEN is known for its ability to strengthen and add structure to hair strands. This can help reduce breakage and split ends.

**Improve Elasticity:** KERA COLLAGEN contributes to the elasticity of the hair, making it more resilient to damage from styling, heat, and environmental factors.

**Enhance Shine:** KERA COLLAGEN treatments may impart a healthy shine to the hair, improving its overall appearance.

**Reduce Frizz:** By improving the overall health of the hair shaft, KERA COLLAGEN treatments may help reduce frizz and make the hair more manageable.

## Who needs KERA COLLAGEN treatment?

**Damaged Hair:** If your hair is damaged due to excessive heat styling, chemical treatments, or environmental factors, a collagen hair treatment may help in restoring and strengthening the hair.

**Dry or Frizzy Hair:** KERA COLLAGEN treatments can provide moisture to dry hair and help reduce frizz, making the hair more manageable.

**Brittle Hair:** Hair that is prone to breakage and split ends may benefit from the strengthening properties of KERA COLLAGEN.

**Lack of Shine:** If your hair lacks shine and looks dull, a KERA COLLAGEN treatment may enhance its overall appearance and impart a healthy shine.

**Chemically Treated Hair:** Individuals with chemically treated hair, such as those who regularly colour or perm their hair, may find collagen treatments helpful in maintaining the health of their strands.

**Prevention:** KERA COLLAGEN hair treatments are not only for those with existing hair issues but can also be used preventively to maintain the overall health of the hair and prevent future damage.

## How long does KERA COLLAGEN last?

So KERA COLLAGEN treatment lasts for (8-10 months) To prolong the effects of
