Z Treatments

Z Treatments for Hair at Zazzle Salon offer personalized, cutting-edge hair care solutions tailored to address specific hair concerns and achieve exceptional results.

These customized treatments focus on nourishing and repairing damaged hair, improving its overall condition and vitality. Smoothing, volumizing, or texturizing hair to achieve desired softness and smoothness. Stimulating hair growth, strengthening hair follicles, and reducing hair loss. Shielding hair from damage caused by environmental factors, heat styling, or chemical processing. By combining advanced techniques with high-quality products, Z Treatments deliver unparalleled results, leaving hair looking healthier, feeling softer, and performing better. Experience personalized hair care at Zazzle Salon and discover the transformative power of Z Treatments.

Crafted and Made in Brazil. Available only at Zazzle Salons

Z Treatments

KERABLAST

9999 | 11999 | 13999

4999

onwards

The KERABLAST treatment smooths your hair and detangles it effortlessly. This treatment is used as an intense repair cream, especially for extremely dry, frizzy, and curly hair. It has arganoil and macadamia oil that work well to make your hair look well-maintained, healthy, and nourished. The Kerablast cream tames frizzy hair very easily. They also act as a protective shield for your hair when exposed to heat and sun damage, allowing you to achieve flawless hairdos.

KERA-COLLAGEN

9999 | 11999 | 13999

4999

onwards

A collagen hair treatment is a cosmetic procedure designed to improve the health and appearance of the hair by infusing it with collagen. It is known for its ability to strengthen and add structure to hair strands. This can help reduce breakage and split ends and improves elasticity making it more resilient to damage.

VEGAN BOTOX

9999 | 11999 | 13999

4999

onwards

Vegan hair botox is a plant-based hair treatment that aims to nourish and restore your hair, similar to traditional hair botox. It typically uses natural ingredients like vitamins, minerals, and plant extracts to provide hydration, repair damage, and improve hair elasticity.

VEGAN KERATIN

9999 | 11999 | 13999

4999

onwards

VEGAN-KERATIN treatment is a semi-permanent hair straightening and smoothing method that involves the use of a product containing the protein keratin. This type of treatment tends to provide more dramatic results. VEGAN-KERATIN treatment is formulated without formaldehyde. This treatment can result in smoother, shinier, and more manageable hair.

Hair Forms

	Female	Male
Z PERMANENT BOTOX	11999 12999 14999 <i>onwards</i>	5999

Z Permanent botox offers a nutrient-infused system designed to restore and nourish damaged hair by enveloping each strand with a coating rich in vitamins and nutrients. Experience the transformation as your hair becomes silky, shiny, and free from frizz. This innovative treatment not only delivers lasting straightening and smoothing effects but also promotes healthier, more radiant hair.

Z PERMANENT KERATIN	11999 12999 14999 <i>onwards</i>	5999
---------------------	---	------

Z Permanent Keratin is a nutrient-based system that will repair damaged hair with a hair fibre coating filled with vitamins and nutrients. This treatment will create silky, shiny, and frizz-free hair. This treatment will permanently straighten and smooth your hair

Z PERMANENT KERA COLLAGEN	11999 12999 14999 <i>onwards</i>	5999
---------------------------	---	------

The Permanent Kera-Collagen Treatment is a revolutionary hair care solution designed to infuse strands with collagen, a vital protein known for its strengthening and rejuvenating properties. This advanced treatment delivers long-lasting results, enhancing hair resilience, and promoting a smoother, more manageable texture. Experience the transformative benefits of the Permanent Kera-Collagen Treatment, for hair that radiates health and vitality.

*Taxes as applicable.

Medfacial

Best of Zazzle

Med Facial is a multistep facial treatment typically performed with a advanced functional machine. Med Facial device is used to cleanse, exfoliate, extract, and deliver a variety of rejuvenating serums. The facial creates an instant "wow factor" in terms of brightening and firming skin.

The Med Facial device uses an exfoliating tip paired with suction to remove dead skin cells from the surface of your face. After skin is exfoliated, serums are infused into the skin. This last step is the key reason for the facial to be so effective.

All the skeyndor facials coupled with microderma abrasion techniques will be charged **INR. 2000** extra
